

# OPEN BY DESIGN:

Steal this website? Nah. just use it. We'll share.

The goal is to spread knowledge.

We want this content to be read, shared, copied and improved.

- A web-application for the development of web-based assessment literacy content.
- Conceptualized in 2015. Co-developed as part of Center for Assessment Internship in 2015 and 2016.
- Inspired GitHub based collaboration and by content platforms like Medium:
  - Allows interactive graphics
  - Allows robust forking for easy modification
